EIGHTH YEAR.

MAYSVILLE, KY., THURSDAY, APRIL 20, 1899.

ONE CENT.

In the Matter of Diamonds,

Watches of every kind, Jewelry of every description and latest styles, we can show you the largest line you can find anywhere and at the lowest prices. One of the sights of our city is the beautiful display of cut glass bric-a-brac, fine hand painted china, fancy lamps, brass tables, and ever so many other things. Don't forget when you want anything in the line, for a wedding present, or any other occasion, you can find just what you want at

BALLENGER'S, Jeweler and Optician.

The Feast of Bargains in Good CLOTHING!

Men's and Boys' Shoes and Men's Furnishing Goods set before the people through Hechinger's retiring-from-business sale has awakened an interest with the buying community that the conventional clothing sales advertisement make impossible. It is a positive fact that customers from distances as far as 50 miles from Mayville are taking advantage of this sale. It is known that the stock consists of only first class merchandise, and when considered that the reduction of prices enables the public to buy the high class goods Hechinger & Co. carry for less than ordinary goods sold elsewhere it is no wonder that the storekeepers are daily crowded. Thousands of dollars worth of goods that were contracted for before Mr. Hechinger's conclusion to retire from business are daily arriving. They share the same fate of those that were already in stock. They will be marked at prices that will make them sell. On Wednesday our

"Hopkins" Straw Hats!

will be on sale. To those who have worn them they need no recommendation. Those who have never worn them should try one. They are the best Straw Hats in the world. Ask the other hat makers in town.

Hechinger & Co

Spring Silks!

There are so many materials—all new, all pretty—clamoring for mention, we find it difficult to decide which shall be first. Better pick at random, so here goes:
At \$1—The Silk Nip, Poplin, excellent material for waists and trimmings. Amour.
At \$1—The Silk Nip, Poplin, excellent material for waists and trimmings. Amour.
At \$1—Some exclusive patterns in striped and figured black silk.
At \$1—Handsome black Tulle, heavy quality, guaranteed not to cut. We will replace any waist or skirt that proves unsatisfactory in wear.
At \$1 45—White silk with shirring cord. Very chic and new.

Underskirts.

Beautiful petticoats of mercerized cloth (just from the workroom of a leading maker). In more varied array than ever before—eaten in this store. Solid colors and stripes. Lasting, soft, with excellent wearing qualities. Will give better service than silk, is quite as pretty and costs much less. \$2 50

Rear Kid Gloves.

Those who know our dollar glove, know nothing in retail glove-making equals it for uniformity of finish, excellence of finish and perfection of fit. Its reliability is assured because we and the makers stand behind every pair. The new spring colors have arrived and also times out of ten they will shade with your demand, but if yours should be the old test we will get the wanted color if it's at all within glove possibilities.

The sunbake falls on the window sill, And the day looms in at the open door, The kettle boils, and the dear old wife Goes back and forth over the kitchen floor With plate and platter, and fork and spoon, As every day she is wont to do, And the days thus with a quiet grace On the homely table set for two.

Oh, the bread is the sea's white spray, And the cloth is clear as mountain snow; From the pantry shelf to the kitchen stove The dear old wife on her errand goes, The morning glories glow on the porch All in riotous tangle run, And the cat lies curled asleep on a chair, The old dog licks at the moonlight sun.

But the dear old wife is not today, And the morning hours have seemed so long; For her thoughts are of the long ago, When the old house rang with mirth and song.

When the red-checked boys and merry girls Came trooping in through the open door, Some wander now 'neath an alien sky, And some will come back no more—no more.

There are empty chairs against the wall, And the wide old rooms are strangely still; The day is sad, though the sunbake falls Like the sifted gold on the window sill; And the dear old wife in her quiet way, Does the homely task she is wont to do; But the years fall fast as an eagle's shadow Of the homely table set for two.

OFFICE: Public Ledger Building, No. 10 East Third Street, Cincinnati, Ohio.

UNCLE SAM AND GREATER AMERICA

The Hon. Samuel J. Pugh has taken the honor of the Interstate Commerce Commission

The Boone county Republicans are all right. At a recent Convention they resolved—

"That the same law which compels an applicant for a license to pay to the examining Board should apply also to positions paying from \$4,000 to \$20,000 per year. In other words a Civil Service President should stand a Civil Service examination before his nomination."

"That while we protest against Civil Service in its entirety, we especially protest against the law which has been experienced an examination, being retained in the employ of the Government when more intelligent Republicans can not secure appointment on account of Civil Service Law."

There are several barrels of good horse sense embodied in these resolves.

THE "Bosses," all of them, after a brief rule, as the howlers say, "fall down." "Boss" Tweed, the original and the greatest of the whole shabbin' match, who ruled New York as absolutely as if he had owned the city, who divided millions of the people's dollar among his "friends" and kept other millions for himself, even "Boss" Tweed was forced to flee the wrath to come. He was followed to Spain, brought back and died in a Penitentiary. "Boss" Crocker of the same city is now undergoing an ordeal which may disclose some later-day rascals in municipal affairs there. A few months ago "Boss" Quay was the political ruler of Pennsylvania, and during the campaign of '88 he came very near dominating the politics of the Nation. Today Mr. Quay is on trial in Philadelphia on some serious charges—whether true or "trumped up." "Boss" Lamm of New York is under a cloud, but this much is certain—he says he has cost him a seat in the United States Senate. These are a few—very few—examples as to the fate of political "Bosses." "Bosses" nearer home might profit by them.

TO CURE A COLIC IN ONE DAY Take Laxative Bromo-Quinine Tablets. All druggists refund the money if it fails to cure. See the genuine label L. B. Q. on each tablet. Mr. David Hunter is ill with typhoid fever at his home in the country.

There will be thirty one applicants for graduation at Center College, Danville, this year.

The Commencement exercises of the Manchester school will take place this evening.

A number from this city will be present.

Cuts, wounds, burns, sprains and bruises quickly heal if you apply Ballard's Kidney and Bladder Pills.

A. M. Neal, a farmer at Mt. Crest, Brown county, O., died last Saturday of cholera.

The O. & O. Lodge at Louisa has sent to the Widows and Orphan Home at Lexington two orphan of one of its members, the children of James Henry, one is a little boy and the other a little girl.

N. M. Griffin of Greenup will soon be the publication of a monthly paper devoted to the interests of the Knights of the Golden Eagle. The first issue will appear on May 1st, and the title will be "The Eagle Knight."

Was Kathleen Porter of Richmond has been appointed by Captain John Boyd Mead of Honor of the Kentucky Division of the United Confederate Veterans. Miss Porter will be Maid of Honor to Miss Taylor of Nicholasville, who was selected sponsor.

Impure Blood? If your blood is impure then you are weak and languid, your appetite is poor, your sleep is disturbed, your complexion is sallow, your eyes are sore, your head aches, your nerves are shaky, your system is out of order, and you are in need of a blood purifier.

After Being Mortally Wounded a Kentuckian shoots His Assassin With the Latter's Own Revolver.

MIDDLEBORO, Ky., April 20.—Details of a tragedy which occurred late Wednesday on Waller's creek, have just been received in this city. Green Howard and John Simpson, neighbors, became engaged in an altercation, when Simpson drew a revolver and mortally wounded Howard.

Throwing down his pistol, Simpson started on a run for home. When he was some distance away Howard secured Simpson's pistol and fired at him. Simpson instantly fell dead. Howard is a member of the Howard family, of Howard-Turner feud fame.

LEXINGTON, Ky., April 20.—A local newspaper says the whisky trust has secured a large contract from the government for spirits to be used in the manufacture of smokeless gunpowder. The greater part of the output of the company's plants will be used by the government for some time to come.

The Grand Jury Acts.

MT. STERLING, Ky., April 20.—Thirty-one of the insurance companies represented in this city were indicted by the grand jury. This comes as a great surprise, as it has been the general impression that no action would be taken against the companies in this county. The agents here will leave the matter entirely with the companies and can not state at present what action will be taken.

JACKSON, Tenn., April 20.—A masked mob of 40 men rode up to the Chester county jail Tuesday, forced their way in, and going to the cell of A. M. Larue, placed a rope around the prisoner's neck. He resisted and the mob hurled several bullets into his body. Believing him dead, they started to leave the jail, but Larue's groans attracted them, and they returned. After shooting him again and beating him mercilessly, the mob dispersed. Larue died after making a statement accusing David Smith and Luke Young of being the leaders. They will be arrested. Larue had killed John Young as the result of a feud.

Not one child dies where ten formerly did from croup. People have learned the value of one Minute Cough Cure and use it for severe lung and throat troubles. It immediately stops coughing. It never fails. Henry W. Ray, adjoining Postoffice.

A barn on Mr. E. T. Hedding's farm near Millersburg burned a few days since. Mr. and Mrs. Hedding were visiting relatives at Maysville at the time.

Even the most vigorous and hearty people have at times a feeling of weakness and lassitude. To dispel this feeling take Herbolin. It will impart vigor and vitality. Price 50 cents. J. Jan. Wood & Son.

M. T. Treager has filed suit against the city of Flemingburg for \$3,000 damages, alleging gross negligence on the part of the city in allowing a pipe to be placed in the public sidewalk. The suit is the outcome of an accident which befell plaintiff some weeks ago, when he fell and broke his thumb, which finally had to be amputated.

In a neighborhood near here there is some one who has been named by Chamberlain's Cough, Cholera and Diarrhoea Remedy, or who has been cured of chronic diarrhea by the use of that medicine. Such persons make a point of telling of it whenever opportunity offers, hoping that it may be the means of saving other lives. For sale by J. Jan. Wood & Son, Lexington.

At Louisville a few months since retiring Regiment Commander Sir Ed. Montgomery of Kentucky Commandery, Knights Templars, was presented with a handsome Past Commander's Jewel. The members showed their appreciation of his eight years' service as an officer of the Commandery by presenting him with a beautiful pair of Past Commander's shoulder straps.

"Countdown 400." The Cincinnati Times has an account in regard to the big colored production. "About thirty talented Afro-Americans played to standing room at Henson Sunday night, and demonstrated that there are others besides Williams and Walker. The Countdown features pretty nearly straight variety, with just enough black plot to hold the acts together and to make the sequence appear natural. Unlike most 'colored' shows, there is no element of the 'colored' actors going as livid as a three-cream circle. One does not weary of the singing or dancing of an individual before he has bowed, retired, and another is in the center of the stage. The singing of Edna Alexander was especially well received, as was the effort of the Black Swan Quartet, which was recruited from the Keith-Postoffice district. There is some clever black dancing, some lively black picking and some rag-time piano playing that is rag-time enough."

The entire balcony will be reserved for colored people. Seats on sale last Saturday morning at Nelson's.

As the season of the year progresses, in ST. LOUIS, there is a great deal of trouble to be guarded against, nothing "in a fine substitute," will "answer the purpose" or "be just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. It is vigorously recommended by "if something else" is offered you. Henry W. Ray, adjoining Postoffice.

THE PEOPLE'S FRIEND.

the dealers all complaining, waiting that: "There is nothing in the business any more. Profits are cut down to nothing since The Price Fighter opened in Maysville and Brooksville." Say, the war is over and they don't know it. Our plan is "How cheap can I sell this chair, and sell lots of 'em quick?" I just bought 45 dozen Rocking Chairs that have always sold for \$18 per dozen. I bought 'em cheap, so cheap that I find that I can sell 'em to you at \$11.00 each. They are big solid oak cane seat Rocking Chairs with big wide arms, and have always sold for \$12 each. When they arrive I'll send you word and you can come and look at them.

Best two-horse FARM WAGON on earth—\$37 for gears and brake or \$47.25 complete with box bed, hay rack spring seat, anti-spreaders and double brake.

DISC HARROWS as Low as \$15.

We buy Disc Harrows in carload lots, taking advantage of car prices. Then we discount the bill. We can save you money on Disc Harrows sure. Work on the level, leave a clean furrow behind you, so that the seed of a good example will properly prosper. This can be done by using Belley's Center Cut Disc Harrows. They have thirteen discs, six in one gang and seven in the other, thus putting out all the center. They leave no hard ridge in the center of the furrow where seed won't grow, as other harrows do. One gang is peculiarly hung behind the other in such a manner as to level up the ground instead of throwing it all away from the center as others do. This peculiarity is patented and last year occasioned twenty-seven law suits. It's a good thing, and every one of it. You will be after it too if you ever see one at work. Our business is Disc Harrows—we are right at home there. Come see us.

See our TWO-HORSE CORN PLANTER and CHECK ROWER that winds up its cable while planting the last row. Nothing else like it ever invented.

Our stores are full of curiosities. Always glad to show 'em to you; that's our business.
